OUR FOUNDER, DR. O. EVERETT PIPER

Reverend Doctor O. Everett Piper

WHEREAS, MINISTERS UNITED FOR MINISTERIAL DEVELOPMENT (MUMD) has lost one, by the will of God

who parted the sky, and removed from our presence the beautiful and Godly life of *Reverend Doctor O. Everett Piper*, a man who was the beloved Founder of Ministers United for Ministerial Development, a man who was crowned with multiple noble deeds and one who led a useful life.

WHEREAS, he was deeply interested in the welfare and in the life of **MUMD**, and in the progress of the Christian church, that he did not deprive us of his pious council, but set forth for those of us that remain, a most worthy example to follow and appreciate for having the pleasure to work with such a great person of prophetic preaching power, such as that *Dr. O. Everett Piper* possessed, and we were made the richer to have the blessing of God to share in this same era as he.

WHEREFORE BE IT FURTHER RESOLVED, that our President, the Reverend Doctor Lester J. Gillespie, Sr., does hereby recommend to this body, *Ministers United for Ministerial Development*, that we, this body, would strive to emulate his admirable traits and, in humble submission to the will of God, and the directions of our beloved President, Pastor L. J. Gillespie, Sr., we do resolve to be known as the: *Dr. O. E. Piper Ministers United for Ministerial Development Conference*.

From the President Desk!

Grace, Mercy and Peace be Multiplied Unto You My MUMD Family!

I want to thank our great God for this glorious opportunity to serve this awesome organism founded by Rev. Dr. O. E. Piper in 1990. I also want to thank God for his providential will that brought me to MUMD via the friendship, brotherhood and leadership of our immediate past president, the Rev. Dr. Lester J. Gillespie, Sr. To God be the Glory for 25 years of selfless servant leadership and for modeling humility, generosity and ministerial ethics as our modern-day Apostle Paul. This week, we want to pay tribute to you and your leadership cabinet for the stellar leadership and vision that God put in your heart to continue and build upon the vision of Dr. Piper! We salute each of you and say, well done good and faithful servants!

MUMD, although, the baton of leadership has been passed from Dr. Gillespie, Sr., to myself, I want this organism to know that I also plan to continue and build upon the vision and legacy of Dr. O. E. Piper's purpose to dispel the baneful and unethical experience of the young minister by bringing Paul and Timothy together as discipler and disciplee.

MUMD has always prided herself in developing her leaders to take their rightful place in ministry and in the church. It's my intention to center our focus upon Developing Disciple Making Leaders to help strengthen our ministerial ministries and churches. Timothy was Paul's protégé in ministry and Paul instructed Timothy in 2 Timothy 2:2 to pass the baton of the Christian Faith on to faithful men who in return will pass it on to other faithful men. Such an exchange happens through the modality of discipleship. I trust and pray that we will partner with one another to continue Doctor O. E. Piper's vision! I look forward to a great conference!

Saved and Sure,
Rev. Arthur L. Lane
